Their goal is simple, to do what they can to ensure that no school kids in Ontario go without a warm coat this winter. Sincerest thanks to all those who donated and supported this great initiative. **A special word of thanks to the Knights and all those who volunteered their time to create such a wonderful meal.** We are still in need of winter coats, should you want to donate a new or gently used winter coat, please contact Angeli in the Parish Office.

The Building Committee and Jeff Hayes from ERA, the architects supervising the renovations at Holy Rosary, have been busy and you will start to see some tangible results:

- We have let the contract to repair the **platform and steps at the St Clair entry to the church**. The work is expected to begin in November and take up to four weeks. During that period, you will need to use the side entrances to the church as we will have to close off the front entrance. We will provide more detail as we progress.
- We have had a consultant in to take a look at the **church lighting** because a number of you have mentioned that the church is not well lit. We have a beautiful church, but it is difficult at times to see it because of the poor lighting. Don't worry, we are not planning to change the beautiful old fixtures which were installed when the church was built, just get more light out of them.

We will keep you posted as we progress with the work.

-Alex Makuz & Jeremy Gawen (Co-Chairs)
